<sup>1</sup> This list covers people met at offices of the cosponsors and secretariat (global and regional) and other stakeholders both global and regional. The names of people met during the course of the country visits and Pacific regional consultation appears as an annex in each visit summary report. The evaluation team conducted interviews with more than 340 people at global and regional levels. We have endeavoured to ensure that the list of people consulted is as comprehensive and accurate as possible but would like to apologise for any inadvertent omissions or errors.
