Robert B.

UNODC Iran remains entitled to all intellectual property and other proprietary rights, including copyrights of caricatures.

# Community

- Strengthened capacity of PLHIV to address discrimination
- Increased interaction between PLHIV, other key populations and community members
- Media campaigns and edu-tainment

# Strategies for expanding

Integrating  
reduction of  
discrimination into  
national AIDS  
responses

Fully funding  
programmes to  
reduce  
discrimination

Putting PLHIV and other  
key pops at centre of  
efforts to reduce  
discrimination

# Key Messages

1. HIV-related discrimination:
  - Continues to have terrible consequences for PLHIV and other key pops
  - IS a major obstacle to universal access to HIV prevention, treatment and care
2. In all settings, something can and should be done about it!

Less talk. More action!
