1. INTRODUCTION

1.1 Objective of the RFP

The purpose of this Request for Proposal (RFP) is to enter into a contractual agreement with a successful bidder and select a suitable contractor to serve as a Communication and Consultation Facility (CF) to support the participation of the Non Governmental Organisation (NGO) delegation to the UNAIDS Programme Coordinating Board (PCB) during a two year period.

All civil society organizations that operate regionally or globally and have community-based interests are encouraged to apply.

UNAIDS is an organization that is dependent on the budgetary and extra-budgetary contributions it receives for the implementation of its activities. **Bidders are therefore requested to propose the best and most cost-effective solution to meet UNAIDS requirements, while ensuring a high level of service.**

For more information about UNAIDS please consult our website www.unaids.org.

Background

UNAIDS was the first UN programme to have civil society formally represented on its governing body, the Programme Coordinating Board (PCB). The contribution of the PCB NGO delegation, which also includes people living with HIV, has been instrumental in the effective inclusion of community voices in the key global policy forum on AIDS.

Following the 15th PCB meeting, which tasked the UNAIDS Secretariat to assess the strengths and weaknesses of NGO/civil society participation in the PCB and to identify improvements, an independent review was carried out throughout 2006 and 2007. One of the main recommendations of this review states: *All relevant stakeholders – including the PCB, UNAIDS Secretariat and international donors - to endorse and mobilise resources for an **independent Communication and Consultation Facility and Resource Team** to enhance the participation of the NGO delegation and wider civil society in the PCB.*

At its 20th meeting, the PCB endorsed “the establishment of an independent communication and consultation facility (CF) to strengthen the NGO participation and support effectiveness of NGO country-level voices in the Programme Coordinating Board policy dialogue, and requested that the CF be supported by the UNAIDS Secretariat”. The first PCB NGO Communication and consultation Facility (PCB NGO CF) was established and hosted in the World AIDS Campaign in April 2008, following a competitive bidding process that was spearheaded by the PCB NGOs and supported by the UNAIDS Secretariat.

The CF is providing the PCB NGO delegation with a base for independent support and has strongly contributed to the strengthening of the communication and consultation with wider civil society, thus ensuring that the PCB NGO delegation is appropriately nominated and equipped to represent civil society issues to the PCB. The CF support has been commended as an effective support for the PCB NGO work and the PCB has recommended that this support be renewed for the next biennium 2012-2013. A new bidding process for the recruitment of a host for the PCBNGO CF is therefore initiated.

The contract will be entered into between the UNAIDS Secretariat and the organisation hosting the CF, with UNAIDS administering the contract in accordance with the provisions therein. Monitoring of the CF's implementation and performance relating to the delivery of services specified under the terms and conditions of the contract will be undertaken by the UNAIDS Secretariat through the PCB NGO delegation's oversight. The PCB NGOs will have the lead responsibility of providing management oversight on the CF. The PCB NGOs will also provide for the political and strategic orientation and activities of the CF and make suggestions to improve the relevance and impact of its work.

2.13 Amendments of the RFP

At any time prior to the closing date for submission of proposals, UNAIDS may, for any reason, whether on its own initiative or in response to a clarification requested by a bidder, modify the RFP by amendment. All prospective bidders that have received the RFP will be notified in writing of all amendments to the RFP. In addition, all amendments will be posted on the UNAIDS website in the Request for Proposals section and in any other website used by UNAIDS directly for publishing the Request for Proposals.

3. OPENING AND EVALUATION OF PROPOSALS

3.1 Opening of Proposals

UNAIDS will open the technical proposals in the presence of a Committee formed by UNAIDS at the Headquarters office in Geneva, Switzerland on a date fixed after the closing of the tendering period. Each technical proposal will be opened during the session with each bidder announced. Financial proposals will be opened only after the technical evaluation of the proposals.

A public opening of bids will be carried on **14-May-2012 at 11:00 hrs.** in the UNAIDS premises. Bidders wishing to attend the session (at their own cost) should inform UNAIDS in advance via email (to the address specified in section 2.6) if they plan to attend; only bidders or named representatives are allowed. Non-attendance has no implication on the evaluation of the bids.

3.2 Clarification of Proposals

UNAIDS may, at its discretion, ask any bidder for clarification of any part of its proposal to assist in the examination, evaluation and comparison of proposals. The request for clarification and the response shall be in writing. No change in price or substance of the proposal shall be sought, offered or permitted during this exchange.

3.3 Preliminary Examination of Proposals

UNAIDS will examine the proposals to determine whether: (i) they are complete, (ii) any computational errors have been made, (iii) the documents have been properly signed, and (iv) the proposals are generally in order.

Please note that UNAIDS is not bound to select any of the firms/institutions submitting proposals. Furthermore, since a contract would be awarded in respect of the proposal which is considered most responsive to the needs of the project concerned, due consideration being given to UNAIDS' general principles, including economy and efficiency, UNAIDS does not bind itself in any way to select the firm/institution offering the lowest price.

3.4 Technical Evaluation of Proposals

A two-stage procedure will be utilized in evaluating the proposals, with technical evaluation of the proposal being completed prior to any evaluation of the Financial Proposal.

The technical evaluation of proposals will be accomplished by a selection panel. The selection panel will evaluate all proposals which have passed the preliminary examination of proposals according to:

Scoring	Points Awarded

- **Total: 100 points possible**

The obtainable number of points specified for each evaluation criterion indicates the relative significance or weight of the item in the overall evaluation process. The points allocated to the technical proposal correspond to 60% of the total obtainable points.

3.5 Financial Proposal Evaluation

The financial proposal will only be evaluated if the technical proposal achieves a minimum of 60% of the total allocable points for the technical evaluation. Proposals failing to obtain this minimum threshold will not be eligible for further consideration.

The maximum number of points for the price component is 40% of the total obtainable points.

This maximum number of points will be allocated to the lowest price proposal. All other price proposals will receive points in inverse proportion according to the following formula:

Points for the price component of a proposal being evaluated = $([\text{Maximum number of points for the price component}] \times [\text{Lowest price}] / [\text{Price of proposal being evaluated}])$

3.6 Bidders' Presentations

At the discretion of UNAIDS, selected bidders may be invited to supply additional information on the contents of their proposal during the evaluation period. Such bidders could be asked to give a presentation of their proposal (possibly with an emphasis on a topic of UNAIDS's choice) followed by a question and answer session. If UNAIDS determines that there is such a need, the presentation will be held at UNAIDS Headquarters in Geneva, or by videoconference/Internet. Bidders will be given reasonable time to prepare for the presentation.

NOTE: Presentations or other individual contact is expressly prohibited before the closing date for proposal submission.

4. AWARD OF CONTRACT

4.1 Award Criteria, Award of Contract

UNAIDS reserves the right to:

- b) Award separate contracts for parts of the work, components or items, to one or more bidders of its choice, even if their bids are not the lowest;

- d) Award the contract on the basis of UNAIDS' particular objectives to a bidder whose proposal is considered to be the most responsive to the needs of the Organization and the activity concerned;
- e) Not award any contract at all.

UNAIDS has the right to eliminate bids on technical or other reasons throughout the evaluation/selection process. UNAIDS shall not in any way be obligated to reveal, or discuss with any bidder, how a proposal was assessed, or to provide any other information relative to the evaluation/selection process or to state the reasons for elimination to any bidder

NOTE: UNAIDS is **acting in good faith** by issuing this RFP. However, **this document does not obligate UNAIDS to contract for the supply of any products or services.**

4.1.1 Right to modify Scope or Requirements during the Proposal Process

UNAIDS reserves the right to, at any time during the proposal process, modify the scope of services and goods specified in the RFP. At any time in the selection process, UNAIDS reserves the right to issue an amendment to the RFP detailing the change which should be notified only to bidders who have not been officially eliminated due to technical reasons at that point in time.

4.2 Signing of the Contract

Within 30 days of receipt of the contract the successful bidder shall sign and date the contract and return it to UNAIDS according to the instructions provided at that time. If the bidder does not accept the contract terms without changes, then UNAIDS has the right not to proceed with the selected bidder and instead contract with another bidder of its choice.

The award of contract will be published in the UNAIDS public website, after all internal clearances and acceptance of the contract by the selected bidder.

5. GENERAL AND CONTRACTUAL CONDITIONS

The contract between UNAIDS and the selected bidder ("the Contract") will, unless otherwise explicitly agreed in writing, include the provisions as set forth in this section, and will otherwise inter alia address the following issues:
