UNAIDS strategy: 3 zeros, 10 targets, now and beyond 2015

Zero
new infections

Zero AIDS-related
death

Zero discrimination

Main strategic lines, funds, achievements

Stories Target by Target (making a difference, our impact, connected to people)

Country stories

(difference, connected to people, deliver results)

Regional stories

(difference, changing minds, altering policies, connected to people.....)

Added value of the UNAIDS Secretariat advocacy, coordination and convening leveraging

New funds we need to enable us to do new things

Building capabilities to affect broader agenda:

- universal access to health
- changing cultural norms
- tackling inequity
- redistributing opportunities
- ...

What we do to get better value for money

- staff deployment (time, location, functions)
- performance based budgeting
- reductions of waste
