

Responses to clarifications regarding ITB-2015-05

Title: Review of Data Quality in Global AIDS Reporting

Questions

1. Kindly clarify the bidder eligibility (UNGM Level) for response to the invitation.

Answer

There is no minimum UNGM level to be able to quote. Every supplier matching the requirements specified in the ITB is eligible to bid.

2. Is it safe to travel there as foreigners, as we saw there are 21 locations all over the country.

Answer:

UNAIDS cannot advise on specific security threats. All locations of the project are Government offices in the main city of each county mentioned. In case of any specific concern during the execution of the project, the National AIDS Commission will advise the selected contractor.

3. Kindly let us know if only Supply without installation is eligible.

Answer:

Yes, offers can be made only for Component 1, only for component 2 or for both Components.

4. Kindly mention the exact location/cities for the following:

8 Locations in Nairobi

1 Location in Garissa County - Main City

1 Location in Homa Bay County - Main City

1 Location in Siaya County - Main City

1 Location in Kisumu County - Main City

1 Location in Migori County - Main City

1 Location in Kisii County - Main City

1 Location in Nyamira County - Main City

1 Location in Turkana County - Main City

1 Location in Embu County - Main City

1 Location in Busia County - Main City

1 Location in Machakos County - Main City

1 Location in Mombasa County - Main City

Answer:

Due to security reasons exact locations will be provided for selected bidder(s) only. In general the locations in Nairobi are at government offices, primarily Ministry of Health, and at counties are within offices of the county governors.
