

2016 HIGH-LEVEL MEETING ON ENDING AIDS

UNITED NATIONS GENERAL ASSEMBLY
NEW YORK | 8–10 JUNE 2016

PANELS

DATE **Wednesday, 8 June**

TIME/VENUE 11:00–13:00—Trusteeship Council Chamber, United Nations Headquarters, 1st Av & 46th St, New York

EVENT **Panel 1—AIDS within the Sustainable Development Goals: leveraging the end of AIDS for social transformation and sustainable development**

The AIDS response is interwoven with, and interdependent upon, progress across a range of Sustainable Development Goals (including poverty eradication, gender equality, education, justice and inclusive institutions), as well as across targets within the health goal. This panel will discuss how to best leverage these synergies, as well as distil key lessons learned from the AIDS response that can help to accelerate progress across the Sustainable Development Goals.

DATE **Wednesday, 8 June**

TIME/VENUE 15:00–18:00—Trusteeship Council Chamber, United Nations Headquarters, 1st Av & 46th St, New York

EVENT **Panel 2—Financing and sustaining the end of AIDS: the window of opportunity**

Taking a Fast-Track approach to the response to HIV over the next five years is critical to ending AIDS by 2030. Without sufficient and sustainable financing, the gains made so far risk being lost and the AIDS epidemic prolonged indefinitely. This panel will explore how to front-load investments both in high-burden countries and low-prevalence countries, in line with the principles of shared responsibility and global solidarity.

DATE **Thursday, 9 June**

TIME/VENUE 10:00--13:00—Trusteeship Council Chamber, United Nations Headquarters, 1st Av & 46th St, New York

EVENT **Panel 3—Getting ahead of the looming treatment crisis: an action agenda for getting to 90–90–90**

Ensuring healthy lives and promoting well-being for all, including people living with and at higher risk of HIV, and at all ages is essential for sustainable development. This panel will address the critical issue of scaling up and sustaining access to treatment for all people living with HIV. The panel will focus on efforts to get to 90–90–90 (which calls for 90% of people living with HIV to know their status, 90% of people who know their HIV-positive

status to access treatment and 90% of people on treatment to have suppressed viral loads) and ensuring access to quality and affordable medicines and commodities, including through the use of TRIPS (Agreement on Trade-Related Aspects of Intellectual Property Rights) flexibilities.

DATE **Thursday, 9 June**

TIME/VENUE 15:00–18:00—Trusteeship Council Chamber, United Nations Headquarters, 1st Av & 46th St, New York

EVENT **Panel 4—Leaving no one behind: ending stigma and discrimination through social justice and inclusive societies**

Vulnerability to HIV and the impact of HIV is fuelled by stigma and discrimination and exacerbated by unequal access to social goods and services. This panel will explore the opportunity offered by the 2030 Agenda for Sustainable Development to realize the vision and commitments to advance the principles of equality and inclusion and achieve the health targets for people living with, affected by and at risk of HIV.

DATE **Friday, 10 June**

TIME/VENUE 10:00–13:00—Trusteeship Council Chamber, United Nations Headquarters, 1st Av & 46th St, New York

EVENT **Panel 5—Children, adolescent girls and young women: preventing new HIV infections**

Empowering adolescent girls and young women to claim their rights, protect their sexual and reproductive health, access services and live free of violence and discrimination is at the core of ending the AIDS epidemic. The panel will discuss addressing the particular needs of children, adolescent girls and young women in ending the AIDS epidemic.
