

# AGENDA

## THEMATIC SEGMENT

**Delivering on SDG3: Strengthening and integrating comprehensive HIV responses into sustainable health systems for Universal Health Coverage**

# **DELIVERING ON SDG3: STRENGTHENING AND INTEGRATING COMPREHENSIVE HIV RESPONSES INTO SUSTAINABLE HEALTH SYSTEMS FOR UNIVERSAL HEALTH COVERAGE (UHC)**

UNAIDS/PCB (44)/19.20

Issue date: 27 June 2019

## **FORTY-FOURTH MEETING**

DATE: 27 June 2019

VENUE: Starling Geneva Hotel and Conference Centre

TIME: 09:00 – 13:00 | 14:00 – 16:00

### **Agenda**

#### **Key questions and objectives of the meeting:**

1. Clarify what is and what is not Universal Health Coverage as a common ground for debate and discussion;
2. Discuss lessons learnt from the HIV response (including leaving no one behind) which are critical for ensuring progress towards UHC and in building the sustainable health systems on which UHC must rely;
3. Review the challenges and opportunities associated with integrating comprehensive HIV responses into sustainable health systems for UHC which may contribute to the achievement of both SDG target 3.3 and 3.8;
4. Identify priority approaches and key actions for the Joint Programme, Member States, civil society and others, to ensure that the move towards UHC achieves its full potential for the HIV response as well as human health and well-being.

#### ***Moderator:***

Mr. Tim Martineau, Director, Department for Fast Track Implementation

09:00 – 09:30 **Shaping the debate: opening dialogue**

- **Welcome: PCB Chair**
- **Keynote Speakers**

*2 keynote speakers will open the meeting by providing their insights on the opportunities and challenges for the AIDS response during the era of SDGs and the move towards UHC.*

- *H.E. Ambassador Cleopa Mailu, Permanent Representative of the Republic of Kenya to the United Nations in Geneva*
- *Mr. Rico Gustav, Executive Director, Global Network of People living with HIV (GNP+)*

09:30 – 09:40 **What is UHC**

*This session will provide a definition of UHC and describe what UHC is not to set a common ground of understanding for the following discussion.*

- Ms. Susan Sparkes, Health Financing, Department of Health Systems Governance and Financing, World Health Organization

**Session I Opportunities and challenges of comprehensive HIV service delivery in the move towards UHC**

*The two panel discussions in this session will discuss the country-level achievements and challenges in delivering comprehensive and integrated services for HIV, TB, STIs/STDs, sexual and reproductive health, and cervical cancer to ensure those in need of services have access. The session will highlight the country level experiences for effective interventions to deliver services to key populations and people in vulnerable situations, including through community engagement, either in HIV focused settings or in broad health services, to ensure improved and equitable health outcomes in efforts to achieve SDG targets 3.3. and 3.8.*

09:40 – 11:00 **Session I-A: Examples of HIV focused programmes which have evolved into integrated platforms for comprehensive health services for people**

- Mr. Hu Yiyun, Director, Division of Exchange and Cooperation, National Center for AIDS/STD Control and Prevention, CDC, China
- Ms. Allen Kyendikuwa, Programme Officer, Uganda Youth Coalition on Adolescent SRHR and HIV, Uganda
- Ms. Tatiana Makarevich, Head of Grants Implementation Unit of the GFATM grants, Republican Scientific and Practical Centre of Medical Technologies, Informatization, Management and Economics of Public Health, Belarus
- Ms. Khuat Thi Hai Oanh, Center for Support Community Development Initiatives, Vietnam

**Remarks from the floor**

**11:00 – 11:15 Tea Break**

11:15-13:00 **Session I-B: Achievements and challenges in providing comprehensive, inclusive and non-discriminatory services, including those for HIV, in facilities that have broader health service mandate**

- Mr. Juan Sotelo, Coordinator of the HIV Prevention Unit, Directorate of HIV, STIs, Ministry of Health, Argentina
- Mr. Zacharie Makong, Alternatives Cameroun, Cameroon
- Ms. Merelin Muñoz, Programme Manager, Centro de Orientación e Investigación, Dominican Republic
- Mr. David Ruiz Villafranca, AIDSfonds Representative in Geneva, Switzerland

## **Remarks from the floor**

13:00 – 14:00 **Lunch Break**

## **14:00 – 15:30 Session II Financing mechanisms and governance issues**

*This session will discuss financing to achieve the SDG 3, including the targets 3.3. and 3.8. The session will also provide an opportunity to discuss how inclusive health governance, with participation of civil society, can positively influence programming and accountability for better health outcomes, as well as the needs for multi-sectoral collaboration to address structural determinants and barriers in equitable access to services.*

- *Mr Gerson Pereira*, Director of the Department of Diseases of Chronic Conditions and Sexually Transmitted Infections, Ministry of Health, Brazil
- *Mr. Mark Blecher*, Chief Director, Health and Social Development, National Treasury, South Africa
- *Mr. Praphan Phanuphak*, Director, The Thai Red Cross AIDS Research Centre, Thailand
- *Ms. Michaela Clayton*, co-chair, UNAIDS Reference Group on HIV and Human Rights

## **Remarks from the floor**

## **15:30 – 16:00 Summary and conclusion**

- Ms. Shannon Hader, UNAIDS Deputy Executive Director
