## 1. INTRODUCTION

---

### 1.1 Objective of the RFP

The purpose of this Request for Proposal (RFP) is to enter into a contractual agreement with successful bidders and select a suitable contractor to carry out research, writing and editing of public documents in English in close consultation with UNAIDS and its stakeholders. UNAIDS will enter into a Long Term Agreement with each suitable contractor. The agreements will be valid for three years.

UNAIDS currently has Long Term Agreements for Scientific Writing Services with seven contractors. Those Agreements expire in October 2014. All contractors wanting to enter into a new Long Term Agreement with UNAIDS, including any existing suppliers, must make a competitive bid.

Bidders are requested to propose the best and most cost-effective solution to meet UNAIDS requirements, while ensuring a high level of service.

For more information about UNAIDS please consult our website [www.unaids.org](http://www.unaids.org).

### **Deliverables**

According to specific instructions, UNAIDS may require a range of writing services which vary according to the details of each project. When planning for a new publication, UNAIDS will first consider using writers on long term agreement. Among the considerations in choosing a writer will be their availability, prior experience, known expertise, style and preferred approach. Some writers may be specialised in certain topics or have expertise relevant to specific audiences or styles of publication. The work required may include any or all of the following deliverables:

- 1) Drafting document outlines that describe the topics covered and indicate the number of words to be delivered and the timeframe required.
- 2) As a foundation for documents, drafting thoroughly researched and referenced literature reviews with brief synopses of key points, identifying positions taken by specific authors and institutions and any gaps in the analysis or advocacy of points relevant to UNAIDS' evolving interests.
- 3) Drafting documents for review and response by UNAIDS and other reviewers as appropriate.
- 4) Preparation of documents for publication by creating or developing and improving sections such as table of contents, preface, acknowledgements, charts/graphs, footnotes, references, glossary, index etc.
- 5) Editing inputs from UNAIDS and others in order to clarify and otherwise improve the language of the documents to enhance comprehension and improve the relevance to specific audiences, without losing the meaning of the original text. Provision of editorial queries and re-writing, correction or amending of text as required by UNAIDS.
- 6) Fact-checking documents for accuracy and completeness of sources and references.
- 7) Provision of publishable, finalized papers.
- 8) Where necessary, work with other writers, editors or proof-readers and provide inputs, feedback and guidance, including regular correspondence with UNAIDS on progress.

### **For all types of writing, the contractor:**

- 1) Works with the UNAIDS focal point to clarify the terms of each project.
- 2) Mutually agrees the scope of each task, deadline for completion and other modalities.
- 3) Delivers and receives all work in electronic formats.
- 4) Takes responsibility for the accuracy of their work, including all necessary references and verifying there has been no ethical or copyright breach.
- 5) Reports regularly on progress and issues arising.

### **Workload**

- 1) UNAIDS estimates that it may require up to 200 days of research, writing and editing per calendar year. This is expected to be allocated to more than one writer.

### **1.3.2 Reporting requirements**

- UNAIDS will establish a focal point for each Long Term Agreement, to provide management and oversight.

- Purchase orders, in the form of Agreement for the Performance of Work (APW), may be placed by any part of UNAIDS within the terms of the Long Term Agreement. Each office will directly engage with the contractor for specific deliverables to be agreed at the outset.
- Before each project commences, the writer will establish a written agreement with the relevant UNAIDS focal point for the project. This agreement will describe the specific deliverables and timeframe for the project. It will include a clearly articulated statement on the audience, purpose and objectives, expected length, tone and voice and inputs, and the reporting and delivery schedule.
- Throughout the project, the writer will keep the relevant UNAIDS focal point informed of progress and obstacles, including feedback from stakeholders. The writer will provide drafts, including research synopses and document outlines, on a regular basis.
- UNAIDS will require from each contractor a detailed report every six months, detailing the cumulative value of purchase orders against the Long Term Agreement

### 1.3.3 Finance and accounting requirements

- Prior to the commencement of each project, the contractor will provide a quotation to UNAIDS matching the specific deliverables. This will form the basis of an Agreement for the Performance of Work (APW) for that specific project. The terms of the APW including the rate payable to the contractor must be consistent with the Long Term Agreement, entered into as a result of this Request For Proposal.
- Each quotation will be based on a specific terms of reference, clearly stipulating the nature and scope of work and specifying the deliverables and the required activities. UNAIDS may request quotations from more than one supplier holding an LTA contract, with qualifications and experience most relevant to the specific task.
- The bidder's quote must be based on the rates agreed in the LTA and reflect the complexity of the deliverables and the timeframe for delivery. The bidder will be requested to also confirm their availability for the job.
- UNAIDS will consider the quotation received and will select a supplier based on its needs and the available budget, with a view to achieving the best value for money. UNAIDS will be under no obligation to accept a bid. The supplier will not be obliged to provide a bid or to accept any specific job.
- When contracted under the terms of the Long Term Agreement, the contractor will be required to provide UNAIDS with a financial report, prior to the final payment for that order. The financial report will set out the time and costs authorized and spent, and the specific deliverables agreed and delivered. This information must be consistent with the bid provided for the project and should refer to those agreed terms. Included in that report will be an accurate account of the time actually spent on the project (e.g. days worked).

### 1.3.4 Performance monitoring

- UNAIDS will monitor the work of the contractor and evaluate the results of each project against the agreed terms and deliverables of each project.

The bidder's withdrawal notice shall be prepared and dispatched to be received before the closing date in accordance with section 2.10.

- Email for withdrawal of proposal: [Bids@UNAIDS.org](mailto:Bids@UNAIDS.org)

However, if you submitted your technical and financial proposals using the option for Electronic Submission in section 2.8, then your withdrawal notice must also be submitted to these email addresses with the reference number and the word WITHDRAWAL clearly indicated in the subject line.

No proposal may be modified after the closing date for submission of proposals, unless UNAIDS has issued an amendment to the RFP allowing such modifications (see section 2.13).

No proposal may be withdrawn in the interval between the opening date and the expiration of the period of proposal validity specified by the bidder in the proposal.

---

## 2.12 Receipt of Proposals from Non-invitees

UNAIDS may, at its own discretion, extend the RFP to bidders that were not included in the individual invitation list if this is necessary and in the interest of UNAIDS. RFPs published by UNAIDS on the UNAIDS website are open for all qualified bidders.

---

## 2.13 Amendments of the RFP

At any time prior to the closing date for submission of proposals, UNAIDS may, for any reason, whether on its own initiative or in response to a clarification requested by a bidder, modify the RFP by amendment. Amendments could include modification of project scope or requirements, project timeline expectations or extension of the closing date for submission.

All prospective bidders that have received the RFP will be notified in writing of all amendments to the RFP. In addition, all amendments will be posted on the UNAIDS website in the Request for Proposals section and in any other website used by UNAIDS directly for publishing the Request for Proposals.

### 3. OPENING AND EVALUATION OF PROPOSALS

---

#### 3.1 Opening of Proposals

After the deadline for bids to be submitted, UNAIDS will first open the technical proposals in the presence of a Committee formed by UNAIDS at the Headquarters office in Geneva, Switzerland on a date fixed after the closing of the tendering period. Each technical proposal will be opened during the session with each bidder announced.

Financial proposals will be opened only after the technical evaluation of the proposals.

---

#### 3.2 Clarification of Proposals

UNAIDS may, at its discretion, ask any bidder for clarification of any part of its proposal to assist in the examination, evaluation and comparison of proposals. The request for clarification and the response shall be in writing. No change in price or substance of the proposal shall be sought, offered or permitted during this exchange.

---

#### 3.3 Preliminary Examination of Proposals

UNAIDS will examine the proposals to determine whether: (i) they are complete, (ii) any computational errors have been made, (iii) the documents have been properly signed, and (iv) the proposals are generally in order.

**Please note that UNAIDS is not bound to select any of the firms/institutions submitting proposals.** Furthermore, since a contract would be awarded in respect of the proposal which is considered most responsive to the needs of the project concerned, due consideration being given to UNAIDS' general principles, including economy and efficiency, UNAIDS does not bind itself in any way to select the firm/institution offering the lowest price.

---

#### 3.4 Technical Evaluation of Proposals

The technical proposal is worth 60% of the total marks awarded to each proposal.

Technical evaluation will be completed first. Only bidders that achieve 70% or more of the available points in the technical proposal (i.e. a minimum of 42 points) will qualify for further consideration and only their financial proposals will be assessed.

The technical evaluation of proposals will be conducted by a UNAIDS panel of evaluators. The panel will evaluate all proposals that have passed the preliminary examination, as indicated in the table below:

Criteria – Financial proposal	Points	% value
Proposal quality	4	6.7%
Appropriateness of method	4	6.7%
Expertise in related projects	15	25%
Qualifications and competence	15	25%
Topical experience	12	20%
Quality of prior work	10	16.7%
<b>Maximum achievable points</b>	<b>60</b>	<b>100.0%</b>

The points for each criterion are the maximum available and indicate the significance or weight of each item within the evaluation of the technical proposal.

---

### 3.5 Financial Proposal Evaluation

The financial proposal will only be evaluated if the technical proposal achieves a minimum of 70% of the total allocable points for the technical evaluation. Proposals failing to obtain this minimum threshold will not be eligible for further consideration.

The financial component is worth 40% of the total marks awarded to the proposal. The maximum number of points will be allocated to the lowest price proposal. All other financial proposals will receive points in inverse proportion according to the following formula:

Points for the financial component of a proposal being evaluated = ([Maximum number of points for the financial component] x [Lowest price]) / [Price of proposal being evaluated]

---

### 3.6 Bidders' Presentations

Bidders are invited to supply examples of their work, in digital formats only, indicating the publication, date published, intended audience, and their role in the publication (e.g. researching, writing, editing, etc.). UNAIDS may, at its discretion, invite bidders to provide additional information about their proposal during the evaluation period. Such bidders could be asked to give a presentation of their proposal (possibly with an emphasis on a topic of UNAIDS's choice) followed by a question and answer session. If UNAIDS determines that there is such a need, the presentation will be held at UNAIDS Headquarters in Geneva, or by videoconference/Internet. Bidders will be given reasonable time to prepare for the presentation.

NOTE: Contact with UNAIDS personnel about a bid is expressly prohibited before the closing date for proposal submission. All correspondence about this process must be sent to the address indicated elsewhere in this document.

## 4. AWARD OF CONTRACT

---

### 4.1 Award Criteria, Award of Contract

UNAIDS reserves the right to:

- a) Award the contract to a bidder of its choice, even if its bid is not the lowest;
- b) Award separate contracts for parts of the work, components or items, to one or more bidders of its choice, even if their bids are not the lowest;
- c) Accept or reject any proposal, and to annul the solicitation process and reject all proposals at any time prior to award of contract, without thereby incurring any liability to the affected bidder or bidders and without any obligation to inform the affected bidder or bidders of the grounds for UNAIDS' action;
- d) Award the contract on the basis of UNAIDS' particular objectives to a bidder whose proposal is considered to be the most responsive to the needs of the Organization and the activity concerned;
- e) Not award any contract at all.

UNAIDS has the right to eliminate bids on technical or other reasons throughout the evaluation/selection process. UNAIDS shall not in any way be obligated to reveal, or discuss with any bidder, how a proposal was assessed, or to provide any other information relative to the evaluation/selection process or to state the reasons for elimination to any bidder

NOTE: UNAIDS is **acting in good faith** by issuing this RFP. However, **this document does not obligate UNAIDS to contract for the supply of any products or services.**

#### 4.1.1 Right to modify Scope or Requirements during the Proposal Process

UNAIDS reserves the right to, at any time during the proposal process, modify the scope of services and goods specified in the RFP. At any time in the selection process, UNAIDS reserves the right to issue an amendment to the RFP detailing the change which should be notified only to bidders who have not been officially eliminated due to technical reasons at that point in time.

#### 4.1.2 Right to Extend/Revise Scope or Requirements at Time of Award

UNAIDS reserves the right, at the time of award of contract, to extend/revise the scope of services and goods specified in the RFP without any change in the base price of services and goods or other terms and conditions offered by the selected bidder.

#### 4.1.3 Right to enter into Contract Price Negotiations

UNAIDS reserves the right to enter into negotiations, with one or more bidders that have not been eliminated during the evaluation process, including but not limited to negotiations of the terms of the proposal(s), the price quoted in such proposal(s) and/or the deletion of certain parts of the work, components or items called for under this RFP.

---

### 4.2 Signing of the Contract

Within 30 days of receipt of the contract the successful bidder shall sign and date the contract and return it to UNAIDS according to the instructions provided at that time. If the bidder does not accept the contract terms without changes, then UNAIDS has the right not to proceed with the selected bidder and instead contract with another bidder of its choice.

The award of contract will be published in the UNAIDS public website, after all internal clearances and acceptance of the contract by the selected bidder.

## 5. GENERAL AND CONTRACTUAL CONDITIONS

---

The contract between UNAIDS and the selected bidder ("the Contract") will, unless otherwise explicitly agreed in writing, include the provisions as set forth in this section, and will otherwise inter alia address the following issues:

- Responsibilities of the selected bidder(s) ("The Contractor(s)") and UNAIDS;
- clear deliverables, timelines and acceptance procedures;
- payment terms tied to the satisfactory completion of the work;
- notices.

The prices payable by UNAIDS for the work to be performed under the Contract shall be fixed for the duration of the Contract and shall be in a UN convertible currency (preferably US Dollars), based on the UN exchange rate of the date of invoice.

The total amount payable by UNAIDS under the Contract may be either a lump sum or a maximum amount. If the option for payment of a lump sum applies, that lump sum is payable in the manner provided, subject to satisfactory performance of the work. If the option for payment of a maximum amount applies:

- the Contract shall include a detailed budget;
- the Contractor shall be held to submit a financial statement together with each invoice;
- any advance payments by UNAIDS shall be used by the Contractor exclusively for the work in accordance with the budget and any unspent balance shall be refunded to UNAIDS;
- payment by UNAIDS shall be subject to satisfactory performance and the acceptance of the Contractor's financial statements; and
- all financial reports shall be subject to audit by or on behalf of UNAIDS, including examination of supporting documentation and relevant accounting entries in the Contractor's books. In order to facilitate financial reporting and audit, the Contractor shall keep systematic and accurate accounts and records in respect of the work.

Unless otherwise specified in the Contract, UNAIDS shall have no obligation to purchase any minimum quantities of goods or services from the Contractor, and UNAIDS shall have no limitation on its right to obtain goods or services of the same kind, quality and quantity as described in the Contract, from any other sources at any time..

---

### 5.1 Conditions of Contract

Any and all of the Contractor's (general and/or special) conditions of contract are hereby explicitly excluded from the Contract, i.e., regardless of whether such conditions are included in the Contractor's offer, or printed or referred to on the Contractor's letterhead, invoices and/or other material, documentation or communications.

---

### 5.2 Responsibility

The Contractor will be responsible to ensure that the work performed under the Contract meets the agreed specifications and is completed within the time prescribed. The Contractor shall facilitate the operational audit related to the execution of the work and the compliance with the obligations set forth in the Contract, by persons so designated by UNAIDS. In this regard, the Contractor shall make all relevant operational information, without restriction, available to persons so designated by WHO and provide satisfactory explanations to all queries arising in connection therewith.

---

### 5.3 Source of Instructions

The Contractor shall neither seek nor accept instructions from any authority external to UNAIDS in connection with the performance of its services under this Contract. The Contractor shall refrain from

any action which may adversely affect UNAIDS and shall fulfill its commitments with the fullest regard to the interests of UNAIDS.

---

## 5.4 Warranties

The Contractor will warrant and represent to UNAIDS as follows:

- 1) The deliverables shall meet the specifications and shall function in a manner which is fully adequate to meet its intended purpose. The Contractor furthermore warrants that the deliverables shall be error-free, in that the Contractor shall correct any errors in the deliverables, free of charge, within fifteen days after their notification to the Contractor, during a period of at least six months after completion of the work. It is agreed, however, that errors and other defects, which have been caused by modifications to the deliverables made by UNAIDS without agreement of the Contractor are not covered by this paragraph.
- 2) The deliverables shall, to the extent it is not original, only be derived from, or incorporate, material over which the Contractor has the full legal right and authority to use it for the proper implementation of this Contract. The Contractor shall obtain all the necessary licenses for all non-original material incorporated in the deliverables including, but not limited to, licenses for UNAIDS to use any underlying software, application, and operating deliverables included in the deliverables or on which it is based, so as to permit UNAIDS to fully exercise its rights in the deliverables and the software without any obligation on UNAIDS's part to make any additional payments whatsoever to any party.
- 3) The deliverables shall not violate any copyright, patent right, or other proprietary rights of any third party and should be delivered to UNAIDS free and clear of any and all liens, claims, charges, security interest and any other encumbrances of any nature whatsoever. The Contractor may not plagiarize the work of others or include defamatory statements or material.
- 4) The Contractor, its employees and any other persons and entities used by the Contractor shall not violate any intellectual property rights, confidentiality, right of privacy or other right of any person or entity whomsoever.
- 5) Except as otherwise explicitly provided in this Contract, the Contractor shall at all times provide all the necessary on-site and off-site resources to meet its obligations hereunder. The Contractor shall only use highly qualified staff, acceptable to UNAIDS, to perform its obligations hereunder.
- 6) The Contractor shall take full and sole responsibility for the payment of all wages, benefits and monies due to all persons and entities used by it in connection with the implementation and execution of the Contract, including, but not limited to, the Contractor's employees, permitted subcontractors and suppliers.

The Contractor furthermore warrants and represent that the information provided by it to UNAIDS in response to the RFP and during the bid evaluation process is accurate and complete. The Contractor understands that in the event The Contractor has failed to disclose any relevant information which may have impacted UNAIDS' decision to award the Contract to The Contractor, or has provided false information, UNAIDS will be entitled to rescind the contract with immediate effect, in addition to any other remedies which UNAIDS may have by contract or by law

---

## 5.5 Legal Status

The Contractor shall be considered as having the legal status of an independent contractor vis-à-vis UNAIDS, and nothing contained in or relating to the Contract shall be construed as establishing or creating an employer/employee relationship between UNAIDS, on the one hand, and the Contractor or any person used by the Contractor in the performance of the work, on the other hand.

Thus the Contractor shall be solely responsible for the manner in which the work is carried out. UNAIDS shall not be responsible for any loss, accident, damage or injury, suffered by the Contractor or persons or entities claiming under the Contractor, arising during or as a result of the implementation or execution of the Contract, including travel, whether sustained on UNAIDS premises or not.

The Contractor shall obtain adequate insurance to cover such loss, accident, injury and damages, before commencing work on the Contract. The Contractor shall be solely responsible in this regard and shall handle any claims for such loss, accident, damage or injury.

---

## **5.6 Relation Between the Parties**

The Contract does not constitute a partnership between the Parties or does not constitute either Party as the agent of the other.

---

## **5.7 Waiver of Breach**

The waiver by either Party of any provision or breach of the contract shall not prevent subsequent enforcement of such provision or excuse further breaches.

---

## **5.8 Liability**

The Contractor hereby indemnifies and holds UNAIDS harmless from and against the full amount of any and all claims and liabilities, including legal fees and costs, which are or may be made, filed or assessed against UNAIDS at any time and based on, or arising out of, breach by the Contractor of any of its representations or warranties under the Contract, regardless of whether such representations and warranties are explicitly incorporated here in or are referred to in any attached Appendices.

---

## **5.9 Assignment**

The Contractor shall not assign, transfer, pledge or make other disposition of this Contract or any part thereof, or any of the Contractor's rights, claims or obligations under this Contract except with the prior written consent of UNAIDS.

---

## **5.10 Officials not to Benefit**

The Contractor warrants that no official of UNAIDS has received or will be offered by the Contractor any direct or indirect benefit arising from this Contract or the award thereof. The Contractor agrees that breach of this provision is a breach of an essential term of this Contract.

---

## **5.11 Indemnification**

The Contractor shall indemnify and hold UNAIDS harmless, from and against the full amount of any and all claims and liabilities, including legal fees and costs, which are or may be made, filed or assessed against UNAIDS at any time and based on, or arising out of, the acts or omissions of the Contractor, or the Contractor's employees, officers, agents, partners or sub-contractors, in the performance of the Contract. This provision shall extend, inter alia, to claims and liabilities in the nature of workmen's compensation, product liability and liability arising out of the use of patented inventions or devices, copyrighted material or other intellectual property by the Contractor, its employees, officers, agents, servants, partners or sub-contractors.

---

## **5.12 Contractor's Responsibility for Employees**

The Contractor shall be responsible for the professional and technical competence of its employees and will select, for work under this Contract, reliable individuals who will perform effectively in the implementation of this Contract, respect the local customs, and conform to a high standard of moral and ethical conduct.

---

### 5.13 Subcontracting

Any intention to subcontract aspects of the Contract must be specified in detail in the proposal submitted. Information concerning the subcontractor, including the qualifications of the staff proposed for use must be covered with same degree of thoroughness as for the prime contractor. No subcontracting will be permitted under the Contract unless it is proposed in the initial submission or formally agreed to by UNAIDS at a later time. In any event, the total responsibility for the Contract remains with the Contractor.

The Contractor shall be responsible for ensuring that any and all subcontracts shall be fully consistent with the Contract, and shall not in any way prejudice the implementation of any of its provisions.

---

### 5.16 Confidentiality

- 1) Except as explicitly provided in the Contract, the Contractor shall keep confidential all information which comes to its knowledge during, or as a result of, the implementation and execution of the Contract. Accordingly, the Contractor shall not use or disclose such information for any purpose other than the performance of its obligations under the Contract. The Contractor shall ensure that each of its employees and/or other persons and entities having access to such information shall be made aware of, and be bound by, the obligations of the Contractor under this paragraph. However, there shall be no obligation of confidentiality or restriction on use, where: (i) the information is publicly available, or becomes publicly available, otherwise than by any action or omission of the Contractor, or (ii) the information was already known to the Contractor (as evidenced by its written records) prior to becoming known to the Contractor in the implementation and execution of this Contract; or (iii) the information was received by the Contractor from a third party not in breach of an obligation of confidentiality.
- 2) The Contractor, its employees and any other persons and entities used by the Contractor shall furthermore not copy and/or otherwise infringe on copyright of any document (whether machine-readable or not) to which the Contractor, its employees and any other persons and entities used by the Contractor have access in the performance of this Contract.
- 3) The Contractor may not communicate at any time to any other person, Government or authority external to UNAIDS, any information known to it by reason of its association with UNAIDS which has not been made public except with the authorization of UNAIDS; nor shall the Contractor at any time use such information to private advantage.

---

### 5.17 Title Rights, Copyright and Intellectual Property

- 1) All rights pertaining to any and all deliverables under the Contract and the original work product leading thereto, as well as the rights in any non-original material incorporated therein as referred in section 5.4.2 above, shall be exclusively vested in UNAIDS..
- 2) UNAIDS reserves the right to revise the work, to use the work in a different way from that originally envisaged or to not use the work at all.

---

## 5.18 Termination and Cancellation

UNAIDS shall have the right to cancel the Contract (in addition to other rights, such as the right to claim damages):

- 1) In the event the Contractor fails to begin work on the date agreed, or to implement the work in accordance with the terms of the Contract; or
- 2) In the event the progress of work is such that it becomes obvious that the obligations undertaken by the Contractor and, in particular, the time of fulfillment, will not be respected.

In addition, UNAIDS shall be entitled to terminate the Contract (or part thereof), in writing:

- 1) At will with the provision of thirty (30) days prior notice in writing
- 2) With immediate effect (in addition to other rights, such as the right to claim damages), if, other than as provided in the paragraph above, the Contractor is:
  - a. In breach of any of his material obligations under the Contract and fails to correct such breach within a period of thirty (30) days after having received a written notification to that effect from UNAIDS; or
  - b. Adjudicated bankrupt or formally seeks relief of his financial obligations.

---

## 5.19 Force Majeure

No party to the Contract shall be responsible for a delay caused by force majeure, that is, a delay caused by reasons outside such party's reasonable control, it being agreed, however, that UNAIDS shall be entitled to terminate the Contract (or any part of the Contract) forthwith if the implementation of the work is delayed or prevented by any such reason for an aggregate of thirty (30) days. Such termination shall be subject to payment of an equitable part of the Contract sum and/or other reasonable charges. In the event of such termination, the Contractor shall, in accordance with the ownership rights referred to in section 5.17 *Title rights*, deliver to UNAIDS all work products and other materials so far produced.

In the event of and as soon as possible after the occurrence of any cause constituting force majeure, the Contractor shall give notice and full particulars in writing to UNAIDS, of such occurrence or change if the Contractor is thereby rendered unable, wholly or in part, to perform its obligations and meet its responsibilities under this Contract. The Contractor shall also notify UNAIDS of any other changes in conditions or the occurrence of any event which interferes or threatens to interfere with its performance of this Contract. The notice shall include steps proposed by the Contractor to be taken including any reasonable alternative means for performance that is not prevented by force majeure. On receipt of the notice required under this Article, UNAIDS shall take such action as, in its sole discretion, it considers to be appropriate or necessary in the circumstances, including the granting to the Contractor of a reasonable extension of time in which to perform its obligations under this Contract.

### 5.23 Payment

Payment will be made against presentation of an invoice in a UN convertible currency (preferably US Dollars) in accordance with the payment schedule contained in the Contract and subject to UNAIDS's acceptance of satisfactory performance of work. Any payments by UNAIDS to the Contractor shall reflect any tax exemptions to which UNAIDS is entitled by reason of the immunity it enjoys. UNAIDS is exempt from all direct taxes, customs duties and the like and the Contractor shall consult with UNAIDS so as to avoid the imposition of such charges. As regards duties and other indirect taxes, the Contractor shall list such charges on invoices as a separate item and, to the extent required, cooperate with UNAIDS to enable reimbursement thereof.

---

### 5.24 Title to Equipment and Documentation

Title to any equipment and supplies that may be furnished by UNAIDS shall rest with UNAIDS and any such equipment shall be returned to UNAIDS at the conclusion of this Contract or when no longer needed by the Contractor. Such equipment, when returned to UNAIDS, shall be in the same condition as when delivered to the Contractor, subject to normal wear and tear. The Contractor shall be liable to compensate UNAIDS for equipment determined to be damaged or degraded beyond normal wear and tear. It is a condition of payment that the Contractor should pass to UNAIDS all required outputs and return or destroy any information or materials provided, according to instructions from UNAIDS.

---

### 5.25 Insurance and Liabilities to Third Parties

The Contractor shall provide and thereafter maintain:

(i) insurance against all risks in respect of its property and any equipment used for the execution of this Contract.

The Contractor shall, upon request, provide UNAIDS with satisfactory evidence of the insurance required under this section.

---

## **5.26 Settlement of Disputes**

Any dispute relating to the interpretation or application of the contract shall, unless amicably resolved, be subject to conciliation. In the event of failure of the latter, the dispute shall be settled by arbitration. The arbitration shall be conducted in accordance with the modalities to be agreed upon by the parties or, in the absence of agreement, with the rules of arbitration of the International Chamber of Commerce. The Contractor warrants that:

(i) it is not and will not be involved in, or associated with, any person or entity involved in terrorism, that it will not make any payment to any such person or entity and that it will not enter into any employment or subcontracting relationship with any such person or entity; and

(ii) it shall not engage in any illegal, corrupt, fraudulent, collusive or coercive practices in connection with execution of the Contract.

The Contractor agrees that breach of this provision is a breach of an essential term of the Contract.

Any payments used by the Contractor for the promotion of any terrorist activity or any illegal, corrupt, fraudulent, collusive or coercive practice shall be repaid to UNAIDS without delay

---

## **5.31 Personnel**

### **5.31.1 Approval of Contractor Personnel**

UNAIDS reserves the right to approve any employee, subcontractor or agent furnished by the Contractor and Contractor's consortium partners for the performance of the work under the Contract (hereinafter jointly referred to as "Contractor Personnel"). All Contractor Personnel must have appropriate qualifications, skills and levels of experience and otherwise be adequately trained to perform the work. UNAIDS reserves the right to undertake an interview process as part of the approval of Contractor Personnel.

The Contractor acknowledges that the qualifications, skills and experience of the Contractor personnel proposed to be assigned to the project are material elements in UNAIDS's engaging the Contractor for the project. Therefore, in order to ensure timely and cohesive completion of the project, both parties intend that Personnel initially assigned to the project continue through to project completion. Once an individual has been approved and assigned to the project, such individual will not, in principle, thereafter be taken off the project by the Contractor to other duties. Circumstances may arise, however, which necessitate that Personnel be substituted in the course of the work e.g. in the event of promotions, termination of employment, sickness, vacation or other similar circumstances, at which time a replacement of comparable qualifications, skills and experience may be assigned to the project, subject to approval of UNAIDS.

UNAIDS may refuse access to or require replacement of any Contractor Personnel if such individual renders, in the sole judgment of UNAIDS, inadequate or unacceptable performance, or if for any other reason UNAIDS finds such individual does not meet its/his/her security or responsibility requirements. The Contractor shall replace such an individual within fifteen (15) business days of receipt of written notice from UNAIDS. The replacement will have the required qualifications, skills and experience and will be billed at a rate that is equal to or less than the rate of the individual being replaced.

### **5.31.2 Project Managers**

Each party shall appoint a qualified project manager ("Project Manager") who shall serve as such party's primary liaison throughout the course of the project. The Project Manager shall be authorized by the respective party to answer all questions posed by the other party and convey all decisions made by such party during the course of the project and the other party shall be entitled to rely on such information as conveyed by the Project Manager.

The Project Managers shall meet on regular basis in order to review the status of the project and provide UNAIDS with reports. Such reports shall include detailed time distribution, information in the form requested by UNAIDS and shall cover problems, meetings, progress and status against the implementation timetable.

### **5.31.3 Foreign Nationals**

The Contractor shall verify that all Contractor Personnel are legally entitled to work in the country or countries where the work is to be carried out. UNAIDS reserves the right to request the Contractor to provide UNAIDS with adequate documentary evidence attesting this for each Contractor Personnel. Each party hereby represents that it does not discriminate against individuals on the basis of race, gender, creed, national origin, citizenship.

### **5.31.4 Compliance with UNAIDS Policies**

The Contractor shall at all times comply with and ensure that the Contractor and each of its subcontractors and their employees and agents comply with any applicable laws and regulations and any UNAIDS policies and reasonable written direction and procedures relating to: (i) occupational health and safety, (ii) security and administrative requirements, including, but not limited to computer network security procedures, (iii) sexual harassment, (iv) privacy, (v) general business conduct and

disclosure, (vi) conflicts of interest, (vii) business working hours and official holidays, and (viii) the UNAIDS Guide to Ethics: Values, Policies and Practices.

In the event that the Contractor becomes aware of any violation or potential violation by the Contractor, its subcontractor or any of their employees or agents, of any laws, regulations, UNAIDS policies or of other UNAIDS reasonable written directions and procedures, the Contractor shall immediately notify UNAIDS of such violation. UNAIDS, at its sole discretion, shall determine the course of action to remedy such violation or prevent such potential violation, in addition to any other remedy available to UNAIDS under the Contract or otherwise.

#### **5.31.5 Ethical Behaviour**

UNAIDS, the Contractor and each of the Contractor's partners, subcontractors and their employees and agents shall adhere to the highest ethical standards in the performance of the Contract. In this regard, the Contractor shall also ensure that neither Contractor nor its partners, subcontractors, agents or employees will engage in activities involving child labor, trafficking in arms, promotion of tobacco or other unhealthy behavior, or sexual exploitation or discrimination. For a full description of relevant conduct, please refer to the UNAIDS Guide to Ethics: Values, Policies and Practices.
