

DRAFT AGENDA THEMATIC SEGMENT

HIV PREVENTION 2020: A GLOBAL PARTNERSHIP FOR DELIVERY

PROGRAMME COORDINATING BOARD THEMATIC SEGMENT “HIV PREVENTION 2020: A GLOBAL PARTNERSHIP FOR DELIVERY”

UNAIDS/PCB (40)/17.13

Issue date: 31 May 2017

FORTIETH MEETING

DATE: 29 June 2017

VENUE: Executive Board Room, WHO, Geneva

TIME: 09:00 – 12:30 | 14:00 – 16:00

Draft Agenda

Key questions and objectives of the meeting:

- i) **What is the status of primary HIV prevention, what is effective, and what are the gaps in programmes and financing?**
- ii) **What does successful scaling-up take, and what are the challenges?**
- iii) **How can we reach people at risk with programmes?**
- iv) **What are the critical next steps?**

Moderator:

Mr Mahesh Mahalingam, UNAIDS Director Communications and Global Advocacy

08:30 – 09:00 **Registration and coffee**

09:00 – 10:00 **Shaping the debate: opening dialogue**

- **Welcome: PCB Chair**
- **Keynote Speakers**

3 key note speakers will open the meeting by providing their insights on new opportunities and challenges for re-invigorating primary HIV prevention and scaling up programmes towards achieving the 2016 Political Declaration commitments.

- Mr Michel Sidibé, UNAIDS Executive Director
- Dr Natalia Kanem, UNFPA Acting Executive Director
- Ms Kyendikuwa Allen Namayanja, Program Manager Uganda Youth Coalition on Adolescent SRHR and HIV, CYSRA-Uganda

10:00 – 10:30

Overview

This session will look at the epidemiology of HIV, evidence of what works in prevention, and the existing guidance of how to Fast Track combination prevention. It will highlight trends in new adult infections and gaps in programming and financing. The session will also discuss how to address structural barriers to effective combination prevention, make the case that HIV prevention is a good investment, and explore the potential of better linking with efforts to achieve the SDGs and universal health coverage.

- Dr Mariângela Simão, UNAIDS Director Rights, Gender, Prevention and Community Mobilization
- Dr David Wilson, Director Global HIV/AIDS Program, World Bank

10:30 – 11:00

Remarks from the floor

11:00 – 11:15

Coffee Break

11:15 – 12:00

What is required for prevention scale up?

In this session, panelists will discuss the reasons why large-scale implementation of effective prevention programmes has often not happened and what the requirements for systematic and rapid scaling-up of combination prevention programmes are. Political commitment and investments in prevention; willingness to address sensitive societal issues and legal and policy barriers; implementation and managerial capacities of prevention programmes; and the need for strengthened national prevention frameworks and national prevention targets will all be discussed.

- H.E. Dr Lambert Grijns, Ambassador for Sexual and Reproductive Health and Rights & HIV/AIDS, Netherlands
- H.E. Dr David Parirenyatwa, Minister of Health and Child Care, Zimbabwe
- Dr Marijke Wijnroks, Interim Executive Director of the Global Fund
- Dr Monica Alonso, Regional Advisor HIV Strategic Information Pan American Health Organization (PAHO)
- Ms Christine Stegling, Executive Director HIV/AIDS Alliance

12:00 – 12:30

Remarks from the floor

12:30 – 14:00

Lunch Break

14:00 – 14:30

How to reach those at risk with programmes and services?

In this session panelists will share experiences and examples and describe key elements of effective prevention programmes at scale that reach people at risk, including adolescent girls and young women, men, and key populations, and provide access to prevention services and commodities including condoms, PrEP, VMMC and harm reduction.

- Ms Manjula Ramaiah, Manager at Ashodaya Samithi, India
- Dr Yogan Pillay, Deputy Director General of HIV, TB and Women and Child Health Department, South Africa
- Dr Dmitry Pinevich, First Deputy Minister of Health of the Republic of Belarus
- Dr Robert Grant, Professor at the School of Medicine, University of San Francisco, USA
- Mr Jose Yac, Political Scientist and International Relations Specialist, IDEI Association (Research Development, and Global Education), Guatemala

14:30 – 15:00

Remarks from the floor

15:00 – 15:20

Towards a global prevention coalition

This session will discuss the way forward with plans to establish a new global partnership to re-invigorate primary HIV prevention, the next steps towards launching the Global Prevention Coalition, and key issues to address before the inaugural meeting in October.

- Dr Nduku Kilonzo, Director National Aids Control Council of Republic of Kenya (NACC), Kenya
- Dr Laurel Sprague, Executive Director, Global Network of People living with HIV (GNP+)
- Dr Geoff Garnett, Deputy Director in HIV, Bill and Melinda Gates Foundation

15:20 – 15:50

Remarks from the floor

15:50 – 16:00

Closure

- Dr Luiz Loures, UNAIDS Deputy Executive Director

16:00

Coffee
