

# AGENDA

## THEMATIC SEGMENT

### **ENDING TUBERCULOSIS AND AIDS: A JOINT RESPONSE IN THE ERA OF THE SUSTAINABLE DEVELOPMENT GOALS**

# ENDING TUBERCULOSIS AND AIDS: A JOINT RESPONSE IN THE ERA OF THE SUSTAINABLE DEVELOPMENT GOALS

UNAIDS/PCB (42)/18.15

Issue date: 27 June 2018

## FORTY SECOND MEETING

DATE: 28 June 2018

VENUE: Executive Board Room, WHO, Geneva

TIME: 09:00 - 12:45 | 14:00 - 16:00

### Agenda

#### Key questions and objectives of the meeting:

1. Review the global epidemiology of HIV, tuberculosis (TB) and HIV associated TB.
2. Review current progress towards agreed global targets and identify where challenges and gaps remain.
3. Consider the challenges to addressing TB, HIV-associated TB and drug-resistant TB in the context of UHC and the Sustainable Development Goals (SDGs).
4. Discuss examples of good practice demonstrating effective collaboration within national TB and HIV programmes and with communities to achieve integrated TB/HIV care and strengthen health systems.
5. Suggest recommendations and propose a way forward.

#### **Moderator:**

Mr. Vinay Saldanha, Director, Regional Support Team, Eastern Europe and Central Asia

09:00 - 10:00 **Shaping the debate: opening dialogue**

- **Welcome: PCB Chair**
- **Keynote Speakers**

*Keynote speakers will open the meeting by providing their insights on the opportunities and challenges for collaboration to end the epidemics of HIV and TB*

- *Ms. Mona Balani, National Coalition of People living with HIV, India*
- *Dr. Dan Christopher Namarika, Secretary for Health, Malawi*
- *Mr. Michel Sidibe, UNAIDS Executive Director*

**10:00 - 10:30 Overview**

*This session will review the global epidemiology of HIV, TB and HIV-associated TB highlighting the evidence for effective interventions to reduce the burden of HIV related TB and the success and challenges in delivering integrated care to the populations people most in need but currently left behind by services*

- *Dr. Tereza Kasaeva, Director of the Global Tuberculosis Programme, WHO*
- *Dr. Lucica Ditiu, Executive Director, Stop TB Partnership*

**10:30 - 11:00 Remarks from the floor**

**11:00 - 11:15 Coffee Break**

**11:15 - 12:15 What is required to achieve the 2016 Political Declaration target to reduce TB deaths among people living with HIV by 75% by 2020?**

*Given that we have just over two years to reach the Political Declaration target, this session will focus on what that can be achieved by TB and HIV programme collaboration to overcome current barriers to services and to implement to scale the evidence-based interventions that are needed at global and country level to ensure that no more people living with HIV will die from TB.*

- *Dr. Dimitry Pinevich, First Deputy Minister for Health, Belarus*
- *Ms. Evaline Kibuchi, African Regional Director, Global TB Caucus*
- *Ambassador Deborah Birx, U.S. Global AIDS Coordinator & U.S. Special Representative for Global Health Diplomacy*

**12:15 - 12:45 Remarks from the floor**

**12:45 - 14:00 Lunch Break**

**14:00 - 15:00 How can the TB and HIV communities work together to reduce the impact of the social and structural determinants of disease and impact on the broader SDGs?**

*In this session panellists will explore the opportunities for success and efficiency gains that can be achieved through a human rights and client centred approach coupled with improved programme and multisectoral collaboration that will strengthen health systems and accelerate towards Universal Health Coverage and sustainable reductions in the incidence and mortality of TB and HIV. The role of economic and social development will be explored. The context of the broader Sustainable Development Goals and UN reform will inform the discussion.*

- *Dr. Charlotte Watts, Chief Scientific Adviser, Department for International Development, United Kingdom*
- *Mr. Dmytro Sherembei, All Ukrainian Network of People living with HIV*
- *Ms. Lynette Mabote, AIDS Rights Alliance for Southern Africa*

**15:00 - 15:30 Remarks from the floor**

15:30 – 15:55 **Conclusion and way forward**

- *Dr. Eric Goosby*, United Nations Special Envoy on Tuberculosis
- *Dr. Chieko Ikeda*, Senior Assistant Minister for Global Health, Japan

15:55 - 16:00 **Closure**
