36. Agree on the modalities and rules of procedure set out in the paper, Modalities and procedures for the 46th virtual meeting of the UNAIDS PCB (UNAIDS/PCB (46)/20.3), for 46th meeting of the Programme Coordinating Board meeting and its preparations.

Cost implications for the implementation of the decisions: none *

Introduction

1. As a follow-up to the decision of the Programme Coordinating Board (UNAIDS/PCB (46/20.2) that the 46th meeting of the Programme Coordinating Board will be held virtually, the PCB Bureau met on [7 May and 14 May](#) and agreed to put forward for intersessional decision-making process the following modalities and rules of procedures to ensure the smooth running of the 46th PCB virtual meeting from 23-25 June 2020.
2. The modalities and rules of procedure laid out in this paper aim to provide PCB Members (twenty-two elected Member States, the Cosponsors, and the NGO Delegation) and other participants with opportunities to engage with the content of the agenda items in advance of the virtual PCB meeting, including through the publication of video presentations and pre-meeting sessions on agenda items. These measures seek to provide opportunities for PCB participants to share their positions and seek clarification on any issues so that they may be addressed in advance to ensure the smooth running of the virtual PCB and to facilitate consensus building.
3. The Modus Operandi provides the following rules of procedure (annex 2) for meeting of the Programme Coordinating Board:

Rule 1: The PCB may limit the time allowed to each speaker.

Rule 2: During the discussion of any matter, a member may rise to a point of order, and the point of order shall be immediately decided by the Chairperson. A member may appeal against the ruling of the Chairperson, in which case the appeal shall immediately be put to the vote. A member rising to a point of order may not speak on the substance of the matter under discussion but on the point of order only.

Rule 3: During the course of a debate the Chairperson may announce the list of speakers and, with the consent of the PCB, declare the list closed. The Chairperson may, however, accord the right of reply to any member if in his/her opinion a speech delivered after the list was declared closed makes it desirable.

Rule 4: During the discussion of any matter, the Chairperson, with the consent of the PCB, may adjourn the debate on the item under discussion.

Rule 5: The Chairperson may at any time, with the consent of the PCB, close the debate on the item under discussion whether or not any other member has signified the wish to speak.

4. The virtual meeting of the Programme Coordinating Board will adhere to the rules of procedure as outlined in the Modus Operandi. In recognition of the exceptional circumstances in conducting a virtual meeting, the following supplementary rules of procedure are proposed:

Proposed rules of procedures

Virtual platform – for the virtual PCB meeting and all pre-meetings

5. The virtual meeting of the Programme Coordinating Board will be held through the [Interprefy](#) meeting platform. This platform will also be used for any pre-meeting sessions and briefings. Interprefy guarantees interpretation in six languages and offers notable security features, including unique credentials to login.

6. The UNAIDS Secretariat is working with the World Health Organization on the installation and logistics to operationalize the Interpretfy platform.
7. A detailed logistics note with information on the platform will be sent to participants of the meeting shortly. Participants will have the opportunity to test out the platform prior to the meetings with the support of technicians to troubleshoot any issues.

Registration

8. In accordance with the Modus Operandi, the invitations to the 46th meeting of the Programme Coordinating Board were sent on Wednesday, 29 April 2020. Registration for the meeting has opened and is available at the following link: [PCB 46 Registration](#).
9. All participants from a delegation must register in advance to receive their unique ID to login to the virtual meeting.
10. While acknowledging the unique opportunity for widespread participation offered by a virtual meeting, the Bureau recognizes the technological limitations and security concerns that accompany a virtual meeting. As such, it is recommended that access to the meeting be limited to three (3) speakers and three (3) listeners per delegation for each of the twenty two PCB Members States, per each of the six seats for the cosponsors and the five seats for the NGO delegation¹, and two (2) speakers and two (2) listeners for Member State, NGO Observers, and Intergovernmental Organizations. Exceptions will be granted on a case-by-case basis in consultation with the PCB Chair and the UNAIDS Executive Director. For PCB Member and Observer delegations with fewer than three members participating, all members of the delegation will be granted speaker status.
11. Delegations should submit a Note Verbale for Member States and a Note for other participants with their registration to indicate which participants will serve as speakers. The Note Verbale or note can be submitted directly through the [registration form](#). The online platform differentiates between three groups: members, observers, and listeners. Listeners will not be able to speak during the meeting. The Note Verbale will be used to cross-check the registration and designation of speaker and listener status of participants.

¹ **Member States:** Each delegation of PCB Member States will have 3 “speaker” participants and 3 “listener” participants for a total of 6 participants for each PCB Member State.

Cosponsors: Cosponsors have six seats. Each seat will have 3 “speaker” participants and 3 “listener” participants; accordingly, Cosponsors will have 18 “speaker” and 18 “listener” participants.

NGO Delegation: As with other delegations, the NGO delegation will have an allocated 3 “speaker” participants and 3 “listener” participants for each of their five seats. Practically, the NGO Delegation member and alternate for each region will both be designated as speakers (10 speakers).

Presentations on the agenda items by the Secretariat posted in advance

15. To support participants' engagement with the agenda items and in light of the shortened meeting, the UNAIDS Secretariat will make available prerecorded video presentations summarizing the issues raised in the PCB papers under each agenda item to PCB Members and other registered participants prior to the opening of the meeting. The Report of the Executive Director and the Chair of the CCO will not be pre-recorded.
16. The presentations will be available in the two working languages, English and French, and posted online through a secure platform. Registered participants will receive access to this secure platform shortly.
17. Presentations during the virtual meeting will be a succinct summary to allow for maximum engagement of participants.

Pre-meeting sessions

At these pre-meeting sessions, the Secretariat and other agenda item leads will provide detailed presentations and overviews of their papers and the proposed decisions so that PCB participants may be acquainted with the content, seek clarification on any issues, and consider the proposed decision points.
19. Proposed amendments to the decision points are recommended to be raised during these sessions or communicated to the PCB Chair in advance of the virtual meeting to allow for consultation and to assist in consensus-building.

20. The following agenda items will be addressed during the pre-meeting informal sessions following the tentative schedule below. A consolidated timeline is also available in Annex 1:

22. All registered PCB participants will be invited to these pre-meeting sessions.

Statements

23. In accordance with the Modus Operandi (annex 1), the PCB Chair facilitates and moderates the discussion at the PCB meeting “to promote effective decision making and focused and constructive debate.”
24. To ensure the smooth running of the shortened virtual meeting, PCB members and observers will be invited to submit a pre-recorded written or video statement in advance of the meeting. These statements will be made available on a secure website. Statements should be received no later than **Friday, 19 June 2020**.
25. When deemed necessary by PCB participants to supplement their pre-recorded written or video statements, PCB participants will be invited to provide brief interventions during the virtual meeting. To adhere to the strict timing of the meeting, members and observers will be given a maximum of two minutes to make their interventions. Those speaking on behalf of a constituency will be given three minutes.
26. In accordance with the rules of procedure outlined in the Modus Operandi, priority will be given to the PCB Members to provide their intervention (twenty-two elected Member States, Cosponsors, and the PCB NGO Delegation) followed by Observers. Any observer who is unable to provide their statement during the meeting due to time constraints may submit the statement in writing to be included in the official record of the meeting. If participants wish, a pre-submitted video statement may take the place of a live intervention.

Decision making:

27. As indicated in the PCB paper, *Reorganisation of the 2020 UNAIDS PCB meetings in view of the COVID-19 crisis* (UNAIDS/PCB (46)/20.2), the virtual meeting will prioritize simple decision making given the difficulties and inequities of online negotiations.
28. To facilitate consensus on decision making, the pre-meeting sessions will provide an opportunity to raise and address concerns regarding the decision points proposed in the PCB papers.

29. Amendments to the proposed decision points are requested to be made in advance of the virtual meeting by **Friday, 19 June 2020** to allow for circulation amongst and consideration by PCB members.
30. If necessary, a drafting session, held on the Intreprefy platform, may be held at the end of the first day to reach consensus on the decision points. Drafting documents will be shared on the secure website, available to all registered participants. Drafting sessions are limited to PCB members (elected twenty-two member states, cosponsors, and the NGO delegation).
31. In the event of failure to reach consensus during the meeting, the PCB Chair may, per the rules of procedure, with the consent of the PCB, “adjourn the debate” on the agenda item until it can be addressed at a future meeting of the PCB (Rule 4). In the event of lack of consensus, the PCB may also revert to intersessional use of the silent procedure if necessary.
32. In response to the multiple requests of PCB members during the previous intersessional process, *Reorganization of the 2020 UNAIDS PCB meetings in view of the COVID-19 crisis*, considerations were made to manage the volume of agenda items. Therefore, for agenda items 5 and 6, respectively the progress reports of the Task Team on Community-led responses and the PCB Working Group on the follow-up to the JIU Review, the PCB papers accompanying these items will be made available on four weeks ahead of the PCB. The pre-recorded presentations will be made available on the shared platform and will be presented at the pre-meeting session on Thursday, 11 June 2020. During the 46th PCB virtual meeting (23-25 June 2020), the items will be introduced at the meeting to take note of the update and the progress report, and request PCB participants to submit written comments in replacement of the debate with a deadline to submit following the 46th PCB meeting. Comments will be taken into consideration in the final reports of these two processes, which will be presented at the 47th meeting of the PCB in December, and reflected in the final report of the 46th PCB meeting.

IT support:

33. Every effort will be made to ensure that participants have the ability to securely engage in the remote meeting and its discussions. IT support for the installation and testing of the Intreprefy platform will be available.

Intersessional Decision-making process

34. In accordance with the intersessional decision-making process, the proposal of the PCB Bureau was submitted to the PCB members via email communication with this background paper and a description of the decision. A virtual briefing on the proposal may be held at the request of the members.
35. If a quorum (15) is reached, in terms of the answers received to the decision point by the established deadline, the PCB Bureau will act in accordance with the majority view. If a quorum is not reached, then the PCB will have no basis on which to move forward and the proposal will revert back to the PCB Bureau for further consideration.

Proposed Decision

36. The Programme Coordinating Board is invited to:

- Agree on the modalities and rules of procedure set out in the paper, Modalities and procedures for the 46th virtual meeting of the UNAIDS PCB (UNAIDS/PCB (46)/20.3), for 46th meeting of the Programme Coordinating Board meeting and its preparations.

**MODUS OPERANDI
OF THE PROGRAMME COORDINATING BOARD
OF THE JOINT UNITED NATIONS PROGRAMME ON HIV/AIDS
(UNAIDS)**

(Revised December 2011)

Establishment

1. The worldwide epidemic of AIDS - a syndrome caused by HIV - is one of the major tragedies of our time. HIV continues to spread, invisibly, at a rate of many thousands of new infections every day, and its impact will continue to wreak unprecedented havoc among individuals, families and all sectors of societies well into the twenty-first century. The magnitude and duration of the epidemic, and the complex challenge of leading and sustaining the response to it, call for a special global programme.
2. Resolution 1994/24 adopted by ECOSOC in July 1994 endorsed the establishment of the joint and cosponsored United Nations programme on HIV/AIDS as outlined in the annex to the resolution. That annex described the fundamental characteristics that would comprise such a programme. In Section VI of the annex on Organizational Structure, it is indicated that the Executive Director of the programme, appointed by the UN Secretary-General upon the recommendation of the Cosponsors, will report directly to the Programme Coordinating Board which will serve as the governance structure for the programme. The cosponsors have formed a Committee of Cosponsoring Organizations (CCO) and the terms of reference of the CCO and the UNAIDS Secretariat are found in Annex 1 of this document.
3. Resolution 1994/24 also indicated that the Board's detailed responsibilities and meeting schedule will be specified in a document containing its terms of reference. These details are set out below and take into consideration the subsequent discussions of ECOSOC at its organizational sessions and the resolution adopted at its 1995 substantive session (ECOSOC resolution 1995/2 refers).

Purpose

4. The Programme Coordinating Board (PCB) acts as the governing body on all programmatic issues concerning policy, strategy, finance, monitoring and evaluation of UNAIDS.

Functions

5. In order to carry out its functions the PCB shall be kept informed of all aspects of the development of UNAIDS and take into account, in matters of strategy and technical policy, the reports and recommendations of the CCO and the Executive Director, and appropriate reports and recommendations from UNAIDS scientific and technical advisory committees established by the Executive Director. The functions of the PCB are:
 - (i) To establish broad policies and priorities for the Joint Programme, taking into account the provisions of General Assembly resolution 47/199;
 - (ii) To review and decide upon the planning and execution of the Joint Programme. For this purpose, it shall be kept informed of all aspects of the development of the Joint Programme and consider reports and recommendations submitted to it by the CCO and the Executive Director;
 - (iii) To review and approve the plan of action and budget for each financial period, prepared by the Executive Director and reviewed by the CCO;
 - (iv) To review proposals of the Executive Director and approve arrangements for the financing of the Joint Programme;
 - (v) To review longer term plans of action and their financial implications;
 - (vi) To review audited financial reports submitted by the Joint Programme;
 - (vii) To make recommendations to the Cosponsoring Organizations regarding their activities in support of the Joint Programme, including those of mainstreaming; and
 - (viii) To review periodic reports that will evaluate the progress of the Joint Programme towards the achievement of its goals.
6. Annual reports submitted to the PCB on the work of the Joint Programme, together with any comments as the PCB may wish to make, shall be made available to the governing bodies of each of the Cosponsoring Organizations and ECOSOC.

Africa	5 seats
Asia and Pacific	5 seats
Latin America and the Caribbean	3 seats

Eastern European/Commonwealth of Independent States 2 seats

8. The term of membership of these 22 members shall be three years. The initial terms of members shall vary in order to achieve a staggering of membership. After the initial elections, approximately one third of the membership shall be replaced annually.
9. Each of the Cosponsors shall have full rights of participation in the PCB but without the right to vote (see the terms of reference of the CCO in Annex 1 of this Modus Operandi).
10. Five nongovernmental organizations (NGOs), three from developing countries and two from the developed countries or countries with economies in transition, shall be invited to participate in meetings of the PCB but without the right to take part in the formal decision-making process and without the right to vote (ECOSOC resolution 1995/2 refers).
11. The selection of the five nongovernmental organizations would be determined by the NGOs themselves from among those either in consultative status with ECOSOC or in relationship with one of the cosponsoring organizations or on the roster of NGOs dealing with matters pertaining to HIV/AIDS. The PCB shall formally approve the NGOs nominated. The terms of office of the selected NGOs shall not exceed three years.

Observers

12. Upon written application, which expresses a manifest interest, observer status for PCB meetings may be granted by the Executive Director, in consultation with the chairperson of the PCB, to any Member State of any of the Cosponsoring Organizations, and any intergovernmental or nongovernmental organization. Observers will make their own arrangements to cover expenses incurred in attending meetings of the PCB.
13. Observers may participate, when invited to do so by the chair, in the deliberations of the PCB on matters of particular concern to them. Observers may have access to PCB background documents. They may submit memoranda to the Executive Director who shall determine the nature and scope of their circulation. Observers must work through the Board members/participants to propose decision points or introduce new agenda items.

Meetings

14. PCB meetings shall be held twice a year in principle. However, the second session in the odd years shall be held only when there is a substantive need and if sufficient resources are available. In this regard, the PCB may decide in an even year to cancel the second meeting during the following, odd, year. The sessions will be public unless the PCB decides otherwise. Each session will consist of a decision making segment and a thematic segment.

15. The Executive Director of UNAIDS serves as the Secretary of the PCB.
16. In consultation with the PCB Bureau the Executive Director shall prepare an agenda for each meeting.
17. Announcements of regular meetings, accompanied by the provisional agenda, shall be sent to members, participants and observers, at least sixty days before the first day of the meeting; background documents will be prepared in English and French and sent as soon as possible thereafter.
18. PCB decisions will include clear language on who is responsible for their implementation, and also a time frame, costing, source of funds and identified reporting mechanisms and should take into account the linkages to, and impact of, the decision for existing workplans and priorities.
19. Simultaneous interpretation will be provided for all PCB meetings in English and French. Simultaneous interpretation into other UN official languages may be provided on written request submitted by a member to the Secretary no later than six weeks prior to a full meeting of the PCB.
20. Two thirds of the voting members of the PCB, i.e., fifteen, constitute a quorum.
21. Funds will be made available to cover the costs for per diem and travel incurred in connection with the attendance at PCB meetings for one representative from each developing country, from each country with an economy in transition and for one representative from each of the five nongovernmental organizations.

Officers

22. The PCB shall elect from among its members and States elected as members as of 1 January of the following calendar year a chair, a vice-chair and a rapporteur. For States elected as a member as of 1 January of the following calendar year a written statement of interest shall be required. The terms of office of the three elected officials will be one calendar year starting on 1 January. It is expected that the vice-chair will be elected to take the office of chair for the subsequent calendar year unless the vice-chair has indicated that he/she does not seek election as chair, or if the vice-chair was unable to complete his/her term of office. Officers will be elected taking into account a fair geographical distribution.
23. Should the chair be unable to complete its term of office, the vice-chair will take over the office of chair and the PCB shall elect a new vice-chair at its next meeting.

Rule 3: During the course of a debate the Chairperson may announce the list of speakers and, with the consent of the PCB, declare the list closed. Rule 14: Any of these rules may be suspended by the PCB by a two-thirds majority.

Rule 15: The PCB may amend or supplement these rules.

Inter-sessional decision making

3. When a decision is required by the PCB that cannot wait until the next scheduled PCB meeting the PCB Bureau may use the following inter-sessional process. This process is only applicable for decisions that are required by the PCB Bureau to complete functions that have been specifically mandated to it by the Board:

- i. PCB Chair will send an email communication using the list established by the Secretariat which will contain background information and a description of the decision. A notice of receipt of the email will be required and a deadline set for the receipt by the Chair of the replies to the proposed decision point.
- ii. If a quorum (15) is reached, in terms of the answers received to the decision point by the established deadline, the responsible body will act in accordance with the majority view.
- iii. If a quorum is not reached, then the responsible body has no basis on which to move forward and will revert to the PCB Bureau for decision on further action, if any.

- iv. This process will be reviewed periodically at the Programme Coordinating Board with respect to its effectiveness, particularly if any Member States expresses dissatisfaction with the process.
4. The Secretariat will carry out the following steps to ensure that the inter-sessional contact list is kept current:
 - i. The Secretariat shall update the contact list annually for all twenty two members of the Board and on an ad hoc basis when exceptional changes in the PCB membership occur.
 - ii. In January of each year the Executive Director of UNAIDS will send a letter to the Heads of the member delegations of the Board asking them to nominate a named individual plus an alternate who will both receive all communication related to the decision that needs to be made. Full contact details will be required for both named individuals.
 - iii. On receipt of all names, the Secretariat will send a test mail to all focal points and alternates.
5. Member States shall notify the Secretariat when changes to the contact list are required.
