# Value added of PCB meetings outside of Geneva

- “Sensitization of local political leadership in the country hosting the meeting and exposure to the AIDS epidemic in the host country for PCB delegates coming from other regions and also through the organization of field visits;
- Encouragement of country and regional level mobilization around key AIDS-related issues as well as increased understanding of governance processes through enhanced participation of local civil society;
- Field visits by PCB members to better understand the reality of the epidemic and the work of UNAIDS;
- With respect to themes holding particular relevance for the selected country and region, the possibility to tap into local expertise and know-how.””
