

Ten reasons to support UNAIDS.

01

You believe no one should die of AIDS.

02

HIV is both preventable and treatable.

03

You want every mother to protect her child from becoming infected with HIV.

04

You want women to be empowered against AIDS.

05

You believe in the health and well-being of all.

06

UNAIDS stands up for people living with HIV.

07

UNAIDS can influence public and private sectors to provide universal access to HIV prevention, treatment, care and support.

08

UNAIDS is leading the quest for affordable medicines and diagnostic tools.

09

UNAIDS stands up against homophobia and transphobia, violence against women and girls and social injustices.

10

UNAIDS provides the best solutions for the AIDS response.
